- **Team Division Process:** Players will be asked after each Monday if they will be attending the following week/months skate. Teams will then be designed based on the players that are attending the next skate. Players may show-up early and if there is an open spot they may be asked to play and the same applies for the later game as well. If a player does not contact Mike or Joe before coming out to Over-40 they may not be able to play that or week/month.
- **Refs/Scorekeepers:** One ref for both games that is there only to call offside, icing and goals! Refs may call penalties that will result in breakaway for the obstructed team. If the ref has an issue with a player he may ask them to leave. If a player takes a penalty that results in him or her being ask to leave the game he maybe suspended for more games. Captains will need to collect 2 dollars from all players each night to pay the ref fees.
- **Player Responsibilities:** Players must let Joe Rose or Mike Alban (emails are provided below) know when they are going to miss by Friday each week minus emergencies. Players will need to bring both a dark and light jersey. If a player needs a light or dark they may take one from the rink.
